A QUALITY PRODUCT FROM ROSE PLASTIC

ROSE CASE

Protection starts with the right case. For over 70 years, rose plastic has been developing packaging solutions that do more than just transport products from A to B.

With ROSE CASE – a trusted brand of the rose plastic group – we offer high-quality plastic cases that are not only rugged, but smartly designed. For those who demand quality, precision, and reliable protection.

WHAT DRIVES US?

The perfect mix of experience and innovation. With deep expertise in packaging and a global network of production sites and subsidiaries, we offer a fast, flexible service – right where you need it.

Every job is different. Every requirement unique. But one thing never changes: our commitment to packaging solutions that think ahead, keep pace – and are ready when you are.

ALWAYS CLOSE. NO MATTER WHERE.

Since its founding in 1953, rose plastic has grown rapidly into a truly global company. Today, around 800 employees worldwide contribute to the success of our group – with 400 of them working at our headquarters in Hergensweiler, Germany.

With production facilities in Germany, the USA, Brazil, China, and India, as well as subsidiaries across Europe and Asia, we are present around the globe. This means our ROSE CASES are available exactly where our customers need them – whether in the UK, France, Spain, Italy, South Korea, or Japan. And thanks to our distribution partners in Poland and Turkey, our service reaches even further.

FEATURES & FUNCTIONS

EXTRAS

FOR YOUR CASE

Get even more out of your ROSE CASE with foam, inserts, and accessories.

STANDARD FOAMS

Foams in different variants and qualities reliably protect your product – exactly according to your needs.

CONVOLUTED FOAM

Absorbs impacts, breathable, elastic

FLAT FOAM

Flexible and durable, suitable for a wide range of applications

CUBED FOAM

Easily customizable with pre-scored cubes

CUSTOMIZED FOAM

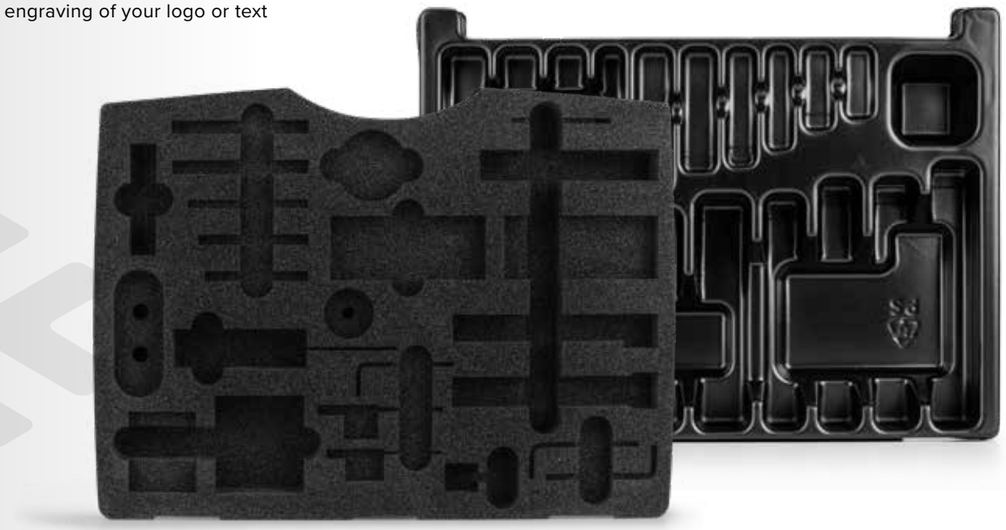

Customize the interior of your ROSE CASE exactly how you need it – precision fit, premium quality, and a clean, professional look.

- Perfectly cut foam to your product (Waterjet cutting, CNC milling or die cutting)
- Colored or two-color foam available on request
- Optional laser engraving of your logo or text

THERMOFORMED INSERTS

Provide reliable protection for your products during storage and transport.

- Custom thermoformed inserts available on request
- Standard thermoformed inserts available for RoseCassette
- Resistant to dirt and moisture

MAKE YOUR ROSE CASE UNIQUE

With printing, labeling, or engraving, your case becomes truly unique.

PRINTING

A high-quality print turns your case into a brand ambassador.

LABEL

We manufacture your case, assemble it so it’s ready to use, and include the labels.

RELIEF / 3D LOGO

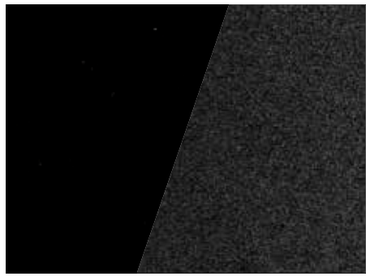

Give your suitcase personality: a logo integrated into the suitcase shell stands out and is durable.

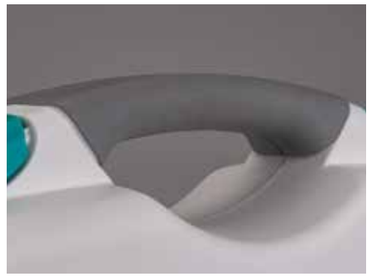

COLORS & COLOR COMBINATIONS

Black, red, blue – or your own look. Depending on the case model, you can mix and match the lid, base, and latches. Special colors available on request.

SURFACES

Smooth or textured — showcase your branding perfectly with a case surface that matches your product.

SOFT-TOUCH HANDLE

Everything under control thanks to "soft-touch": The TPE coating ensures a non-slip grip. Available for all Rose Case ErgoLine cases with the item description “M”.

RECYCLED MATERIAL

Less virgin plastic, more circular economy: many of our case series are also available made from 100% recycled material.
